### PURPOSE:

To provide protection to members of the medical staff and non-medical staff reviewers for peer review involvement.

---

### POLICY:

In keeping with the 1976 Board resolution, the following resolution will be adopted as the policy regarding peer review protection for medical staff and non-medical staff involvement.

IT SHALL BE RESOLVED that the Board of Directors reaffirms its resolution of September 24, 1976, providing for the legal defense and indemnification of members of the medical staff performing administrative or organizational functions on the medical staff, and further resolves that said resolution be amended to include the legal defense and indemnification, as applicable to medical staff members, of individuals and organizations performing reviews of the work or practice of members of the medical staff at the request of the Executive Committee of the medical staff.
