

LEE MEMORIAL HEALTH SYSTEM BOARD OF DIRECTORS

POLICY MANUAL

no. 30.00C
Supersedes no. 30.00b

category: Medical Staff Relations
title: Quality Improvement Program

original adoption: 01/08/91 review date: 08/02/07
revision date: 07/28/95, 07/31/98, 07/26/02, 08/30/07

PURPOSE:

To provide for Board review of the Health System's Quality Improvement and Resource Management program.

POLICY:

The Board of Directors shall adopt and annually review a Quality & Safety Plan. The Board of Directors shall review and discuss reports regarding the utilization of Health System facilities and services through an established program of admission and extended care reviews.

The Board of Directors supports the role of the physician in the continuous quality improvement program and its importance to the Health System.
