### **PURPOSE:**

To provide for an organized Medical Staff at System facilities.

---

### **POLICY:**

1. It shall be the policy of the Lee Memorial Health System Board of Directors (Board) that system facilities of the Lee Memorial Health System (System) shall have organized medical staffs as required by the laws regarding licensure and reimbursement of healthcare facilities and to meet applicable accreditation standards. The organized medical staff shall operate in accordance with Medical Staff Bylaws approved by the Board .
2. The organized Medical Staff shall be responsible to oversee professional practice; make recommendations to the Board regarding appointments and reappointments and delineation of privileges; and make recommendations regarding the adoption of bylaws, rules and regulations for the efficient operation of the facility and the medical staff; subject to the approval of the Board.
3. The Board may delegate those functions common to the System to the Physicians Leadership Council (PLC) such as examining credentials, quality standards and other such tasks as may be assigned from time to time by the Board. However, recommendations for the granting of privileges and the application of quality standards shall remain with the individual Medical Staffs.
4. All policies, bylaws, standards, and rules and regulations of the Board of Directors shall apply to the Medical Staffs of all System facilities and to the PLC.
