

Uninsured Patient Discount Program

At Lee Memorial Health System, we are concerned about our patients and their families.

We understand that health care expenses are often unexpected and paying for services can be overwhelming. This is especially true if you do not have health insurance.

patient discount program Lee Memorial Health System, in accordance with our mission, has developed a discount program to help our patients who do not have health insurance. The program provides significant discounts for uninsured patients who receive hospital services and meet certain financial criteria. This discount program is in addition to our charity programs for patients with income below 200 percent of the federal poverty level.

who is eligible for the discount? Most patients without health insurance whose income is below 400 percent of the federal poverty level will qualify for the discount program. The amount of the discount depends on family income and the number of dependents.

The amount of the discount ranges from 30 percent to 40 percent. The discount does not apply to co-payments and deductibles from Medicare, Medicaid, Champus or other health insurance companies.

who do I contact regarding the lee memorial health system discount? Before you are discharged from the hospital, please contact one of the hospital's Financial Counselors to apply for the discount program. Proof of income (pay stubs, tax forms) may be required to verify level of discount.
