

LEARNING OBJECTIVES

Participants will be able to:

- Describe the AAP guidelines for the well child office visit
- Describe immunization protocols
- Discuss antimicrobial agents, prophylaxis and other infectious disease practices
- Discuss clinical signs and symptoms associated with blood problems in children
- Describe recent advances in pediatric infectious diseases
- Identify screening guidelines for pediatric behavioral problems
- Discuss the prevalence, prevention and treatment including the use of probiotics in children with C. difficile infection
- Discuss screening, complications, treatment and prevention of childhood obesity
- Describe assessment, diagnosis and management, including antibiotic use and timing for UTI
- Discuss the presentation, diagnosis and potential complications of the most common upper airway disorders in children
- Discuss tools, tests and appropriate therapy for FUO, lupus, arthritis and other common rheumatic diseases
- Discuss controversial vaccine topics including how health care professionals should address the "anti vaccine" message
- Identify how to differentiate between rashes with similar presentation

ACCREDITATION

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for a maximum of 12.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

Lee Memorial Health System is accredited by the Florida Medical Association to provide continuing medical education for physicians.

Lee Memorial Health System designates this educational activity for a maximum of 12 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been reviewed and is acceptable for up to 12 prescribed hours by the American Academy of Family Physicians.

Lee Memorial Health System is an approved provider of continuing Nursing Education. (FBN2151). Lee Memorial Health System has applied for 12 nursing contact hours for this two-day conference.

FACULTY DISCLOSURE

Faculty and Lee Memorial Health System will disclose any real or apparent conflict of interest related to the content of the presentation. Faculty will also identify any off-label or investigational uses discussed as such.
