

Lee Memorial Health System Military Support Program

Coupons for Military Support

Do you throw away your Sunday newspaper manufacturer coupons? Do you see the little red coupon machines at the grocery stores? Do you have manufacturer coupons you are not using? We will solve that problem for you! Please send us manufacturer coupons that have bar coding on them. **They can be up to 3 months expired.** We can't use grocery store or local restaurant coupons.

In collaboration with Lee Memorial Health System Military Support and the American Legion Post Auxiliary #38, all coupons collected will be sent to our military families to use in the PXs. The manufacturer coupons can be sent to Kim Gaide, c/o Military Support, LMHS, PO Box 2218, Fort Myers FL 33902. Questions? Call Kim at (239) 343-9690. Thank you for helping us in this endeavor.
