

Tobacco Free Lee

The Sanctuary Regional Cancer Center

-  Tobacco Free Zone
-  Visitor Smoking Area
-  Employee Smoking Area

As Lee Memorial Health System transitions to a tobacco free organization on Nov. 19, we have relocated our smoking areas on our properties. At this location, patients and visitors who wish to use tobacco products will need to stand 30 feet from the building in space that is not a patient, visitor or employee traffic area.

Thank you for your patience as we transition to a tobacco free organization. To learn more, visit www.LeeMemorial.org/mainlanding/TFL.asp.
