

Medical Staff Satisfaction Pulse Surveys are in Progress

The Medical Staff Perception Pulse Survey seeks your feedback about specific services such as **Nursing, ER, Radiology, Pathology, Anesthesiology, Lab, OR, Hospitalists, Medical Records, Patient Safety,** and **Administration.**

Your office may be contacted by PRC - Professional Research Consultants, Inc. One-quarter of the physicians on the LMHS medical staff will be contacted every three months to participate. Progress will be tracked and analyzed, as we work to enhance the quality of care. Thank you for your participation. Your feedback is important to us!
